COMMITTEE THROWS IN WITH VIVIAN OJEDA TO GATHER DODGER GAME ATTENDEES FOR AUGUST 30

Vivian Ojeda, who works hard for our Technical Support and Technical Training Departments, has been actively trying to get a bunch of Dodger fans together to see a home-town Big Blue ball game. The date picked is Friday night, August 30th, for the game between the Los Angeles Dodgers and the Chicago Cubs at Dodger Stadium in Chavez Ravine.

In a memo sent out to employees at Corporate, **Tim McCarthy**, Recreation Committee Co-Chair, said, "We are in the process of checking on a bussing service that will bring us from Cardkey to the game and return us to Cardkey, the service will be provided by Cardkey."

For those of you who are still interested in going, you must get in touch with Vivian at extension 117 by Wednesday, August 14th, as she has to place the order on Thursday. We would suggest that you not wait until the last minute, however--there are a limited number of seats available to us.

Price for a Dodger game ticket is \$10.00 and your family members are welcome too. Please make your check out to **LOS ANGELES DODGERS**. We hope to see you there! ☺

FUN SURVEY RESULTS

The Employees' Fun Survey distributed in July netted about a 60% return--better than the 2% return you see on most national surveys! There were ten categories, each with several choices, and a "More Ideas" section for things that we forgot. And there were a couple of obvious ones that we did forget. Here are the number-one choices for each category, plus a few of your many ideas:

ATTRACTIONS - Disneyland
SPECTATOR SPORTS - L.A. Lakers
TRIPS - Catalina Cruise
THEATRE - Universal Theatre Concert
ACTIVITIES - Brown-Bag Lunch Speakers
SINGLE EVENTS - Bowling Night
CLUB ACTIVITIES - Bicycle Club
TOURNEY SPORTS - Volleyball
SPECIAL IN-HOUSE - Workout Gymnasium
PARTIES - Halloween Party
MORE IDEAS - Discount Movie Tickets, UCLA/USC Games, Racetrack Trip, Hearst Castle, Twenties Party, Super Bowl Party, Walking/Running Clubs, Sailing.

We thank you all for your help in answering the survey. ☺

BROWN-BAG LUNCH SERIES

Recreation Committee Needs Ideas

We were surprised at the overwhelming response to our survey in favor of the Brown-Bag Lunch series. The brown-bag lunch concept is that the committee will arrange for the "entertainment" and those who wish to attend will bring their own lunches.

Our initial ideas were to find speakers on Stress, Weight Reduction, Fitness, etc. We need all the ideas we can get early on because lining up programs is a long process of trying to fit potential speakers into our schedule. So, we need your input on what kind of speakers you would like to hear or other programs you would like for us to sponsor. Write your ideas out on a piece of scratch paper and give it to one of the committee members. Thanks. ☺

CARDKEY CRUSADERS WIN AGAIN!

Basketball Team Scores Big in Final Minutes Against Taller Opponents

Player/Coach Tim McCarthy waxed ecstatic over his team's decisive win over the Cascade Wet Ones at their August 5th meeting in the City of Moorpark Basketball League. The Cardkey Crusaders, who's average height is 5'11", pulled Tuesday's game out against a team that averages somewhere between 6'3" and 6'4" and are now on a win streak of one. Especially satisfying, was that the guards, Bob McKee, Joe Vona and Oscar "Oz" Zuniga were the spark plugs who hit the crucial baskets down the stretch to put the game out of reach.

Coach McCarthy led all players with 21 points for the game, which also saw scrapping action by Tien Dam, Dave Fredrickson and Mark Leibold. Matt Arnett, Andy Hamilton and Kevin Zamora also play hard for the team. For most of the players, this is their first league action.

Team photographers Terry Carver and Charles Galvan are usually there to share the video taping, and to cheer the team on with regular fans Jenny and OJ Kwon, Jennifer McCarthy, Jill McKee, Vivian Ojeda and Jennifer Zuniga.

The Crusaders play on Monday nights at the Moorpark Community High School gym on Casey Rd. behind the library (which is on Moorpark Road). Their remaining

The Cardkey Crusaders all hope that you can find some time in your calendars on these Mondays to come out and cheer them on. They especially need your "sixth-player" help for their two designated "home games" on September 9th and 16th. Let's give our team our support! ©
