FEBRUARY 1964

## IBM CLUB ELECTIONS

Your newly elected WRO IBM Club executive offices of the 1964 Club have assumed office. Congratulations are in order to the winners for their fine show in the recent elections. Thanks, also, to the runner-ups for their interest and efforts in the campaign.

Upon reflection of last year's club and of its many successes and near successes, I wish only to add my sincere thanks to the many individuals who devoted their time and efforts in pulling off our many endeavors of 1963. It was a fine club year, in my mind, with credit due in part to the employees of the Western Region for their enthusiastic participation in and endorsement of the many successful club activities of 1963.

I cannot stress too greatly the fact that you must consider your IBM Club basically a responsive body; responsive to the demands you, individually, make of it. In the same light, however, the success of the club is wholly dependent upon the efforts and interest you as individual members lend to the club.

My congratulations, again, to Bill Beattie, your 1964 WRO IBM Club President, and sincere wishes for success and good luck in guiding the WRO IBM Club along the path of 1964.

Ralph Margosian,  
1963 WRO IBM CLUB PRESIDENT

Left to Right  
Art Butler, Management Representative,  
Bill Beattie, and Ralph Margosian.

Dick Oakes

Ruben Allen

Congratulations and best wishes also go to the other winners in the recent IBM Club elections; Vice-President - Dick Oakes, Treasurer - Ruben Allen, and Secretary - Dottie Dean.

Dick recently joined the Industry Marketing Dept., Ruben is in Sales Order Control, and Dottie Dean is in Payroll.

# MANAGER'S PROFILE

Mr. J.P. (Jim) Rainey, manager of DP Product Scheduling, joined IBM in September 1952, as a stockroom clerk in the Cleveland Downtown branch office.

Prior to Jim's IBM career, he worked for the Federal Court in Cleveland as a Deputy Clerk.

Jim held several positions in the IBM Cleveland area until November 1958. At that time, he transferred to Sales Data Control, Western Region and in July, 1959, was promoted to supervisor of Sales Records in the same area. In August, 1962, he was assigned to the Process Control Section in the Sales Order Control Department. In Sales Order Control, he assumed several responsibilities up until his promotion to his present position in December 1963.

After working hours, Jim keeps himself busy with the outside chores around the house. He enjoys listening to records although his main interest is bowling.

The Rainey's ... Jim, his wife, Julie, and their two children, Jeff and Jennifer, reside in Covina, California.

## PROMOTIONS

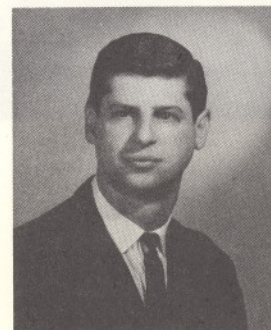

Mr. M.M. (Mike) Barrett, WDPC, has been promoted to Associate Systems Engineer as of December 1st. He is working with Tele-processing.

## ART AWARD

Chris Soter, Graphics Director in Promotional Services, was recently honored by the National Society of Art Directors when he received their "Creativity in Paper Award" which is given for the way paper is incorporated into design.

The award was made for a booklet he designed while at Franzen Woodard titled "Blue Cross of Southern California Annual Report of 1962."

After attending one year of college and serving two years in the Army, Chris took four years training at the Art Center in Los Angeles. He joined IBM on July 15, 1963.

# SUPERVISOR'S SKETCH

Charles P. Myers, known as Chuck or C.P. by his many friends, supervisor in the Administrative Services Department, joined IBM in 1951 in his home town of Portland, Oregon, as an accounting machine operator. Chuck has seen a bit of the country, through IBM moving to Spokane in 1955, Service Bureau, then to Seattle in 1959, Central Processing Department. Becoming supervisor in his present area just last year, Chuck is now beginning to look over the Western Region.

Chuck attended Portland St. College and Multnomah College, receiving his degree in Associate Business Administration.

Chuck and his wife, Jean, enjoy gardening around their home in Granada Hills and spending their evenings bowling and at the theatre. Along with their six year old daughter, Cathy, they enjoy travelling and plan on doing a lot more in the future.

We wish Chuck the best of luck and hope that he will confine his travels to vacations for a while.

### BOWLING - IBM STYLE

The IBM Winter Bowling League recently completed the first half of the season with the following team standings:

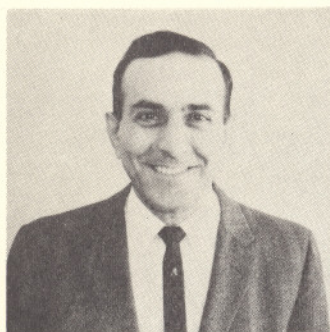

- |                    |                      |
|--------------------|----------------------|
| 1. - The Outcasts  | 7. - The Good Sports |
| 2. - G. Ung Ho     | 8. - Half Fast Five  |
| 3. - Sandbaggers   | 9. - Slow Pokes      |
| 4. - Alley Scats   | 10. - Les Girls      |
| 5. - The Hangovers | 11. - The Dribblers  |
| 6. - The Ratpaque  | 12. - Riky - Tiks    |

With many new teams and people joining the fun, the second half of the season promises to be even more exciting and action-packed than before. So far there has been an enthusiastic turnout of hopeful bowlers seeking glory and riches.

For a wonderful evening of fun and companionship, join the IBM Bowling League which meets on Wednesday nights, 6:15 at Midtown Bowl. This is a splendid way for IBM newcomers to meet people from other departments as well as learning how to bowl. Also, the old timers probably are eager to know you better. For further information call Gene Ung, ext. 1761. Don't miss this opportunity to participate.

## NEWS ITEMS

The Los Angeles Datacenter has several new faces. Richard Kalady recently transferred in from L.A. Wilshire Branch Office. Bill Quigley has returned from six months' Army Reserve Duty; and on temporary assignment from IBM Westchester are Lee Eckert and Beth Huffman.

Miss Marilyn Cochran, WDPC is taking an educational leave of absence beginning February 6. She will attend the University of San Francisco.

In our opinion, the accompanying financial statement and record of receipts and disbursements present fairly the financial position of the Western Region IBM Club at January 14, 1964, and its operations for the past year.
